Two women are standing in front of the mosaic icon. The woman on the left is wearing a blue top and dark pants, carrying a brown shoulder bag. The woman on the right is wearing a white t-shirt, blue pants, and a tan shoulder bag, holding a camera. They are posing for a photo. In the background, there are large, light-colored marble columns and a wooden floor. To the left, a doorway leads to another part of the building where other people are walking. A small cart is visible on the right side.
